

REDUCE INVOICE PROCESSING AND DISPUTE MANAGEMENT COSTS

What is INTTRA eInvoice?

INTTRA eInvoice automates current manual processes associated with invoicing and dispute management, payment and payment application. Created by the ocean freight industry experts with the largest network of shipping partners, INTTRA eInvoice brings electronic invoicing capabilities – proven technology that has served other industries for years – to ocean shippers, forwarders, and carriers.

Designed especially for the ocean freight industry, INTTRA eInvoice brings the power of the INTTRA network to electronic invoicing and dispute management. Plus, with more than a decade of providing innovation and efficiencies to the industry, you can be confident INTTRA developed INTTRA eInvoice to meet the unique needs of ocean freight participants.

The screenshot displays the INTTRA eInvoice web interface. At the top, it shows the user's activity for 'Payer Company - User ABC'. Below this, there are search filters and a table of results. The table columns include Status, Issue Date/Time, Due Date, Gross Amount, CUR, Invoice/Credit Note #, Dispute ID (Source), Document Type, Document Sub-Type, Document Import, Biller Name, Payer Name, Bill of Lading #, Shipper's ID #, and Booking Reference #. The table lists various invoice statuses such as New, Viewed, Dispute Rejected, Dispute Accepted, and Credited Fully, along with their respective amounts and dates.
